

In addition to our newer retail store on County Road 25 in Belleview, Central Florida Wholesale also operates a second weekend retail outlet at Market of Marion.

We first started selling quality tools at lower discounted prices at Market of Marion in 1988. The response to our huge selection and lower prices was immediate, and today, we are one of the largest and longest running companies open for business every weekend at Market of Marion. We have thousands of loyal customers who come to our sales booths at Market of Marion from all over Central Florida.

Market of Marion is the premier flea and farmers market in Central Florida. It's open Saturday and Sunday throughout the year and also on Fridays from October thru April. Hours are 9:00 am to 4:00 pm.

We stock literally thousands of different tools and related accessories at our Market of Marion location. We invite you to stop by and say hello.
